CT Connections

Branding and identity

Every connection, event and journey counts

Branding and design for CT Connections to add value to their partners – clients, suppliers and staff alike with the goal to be your corporate travel partner. CT Connections deliver service excellence, cost management and genuine value at every opportunity.

Website:

<https://www.ctconnections.com.au>

The Departure Lounge

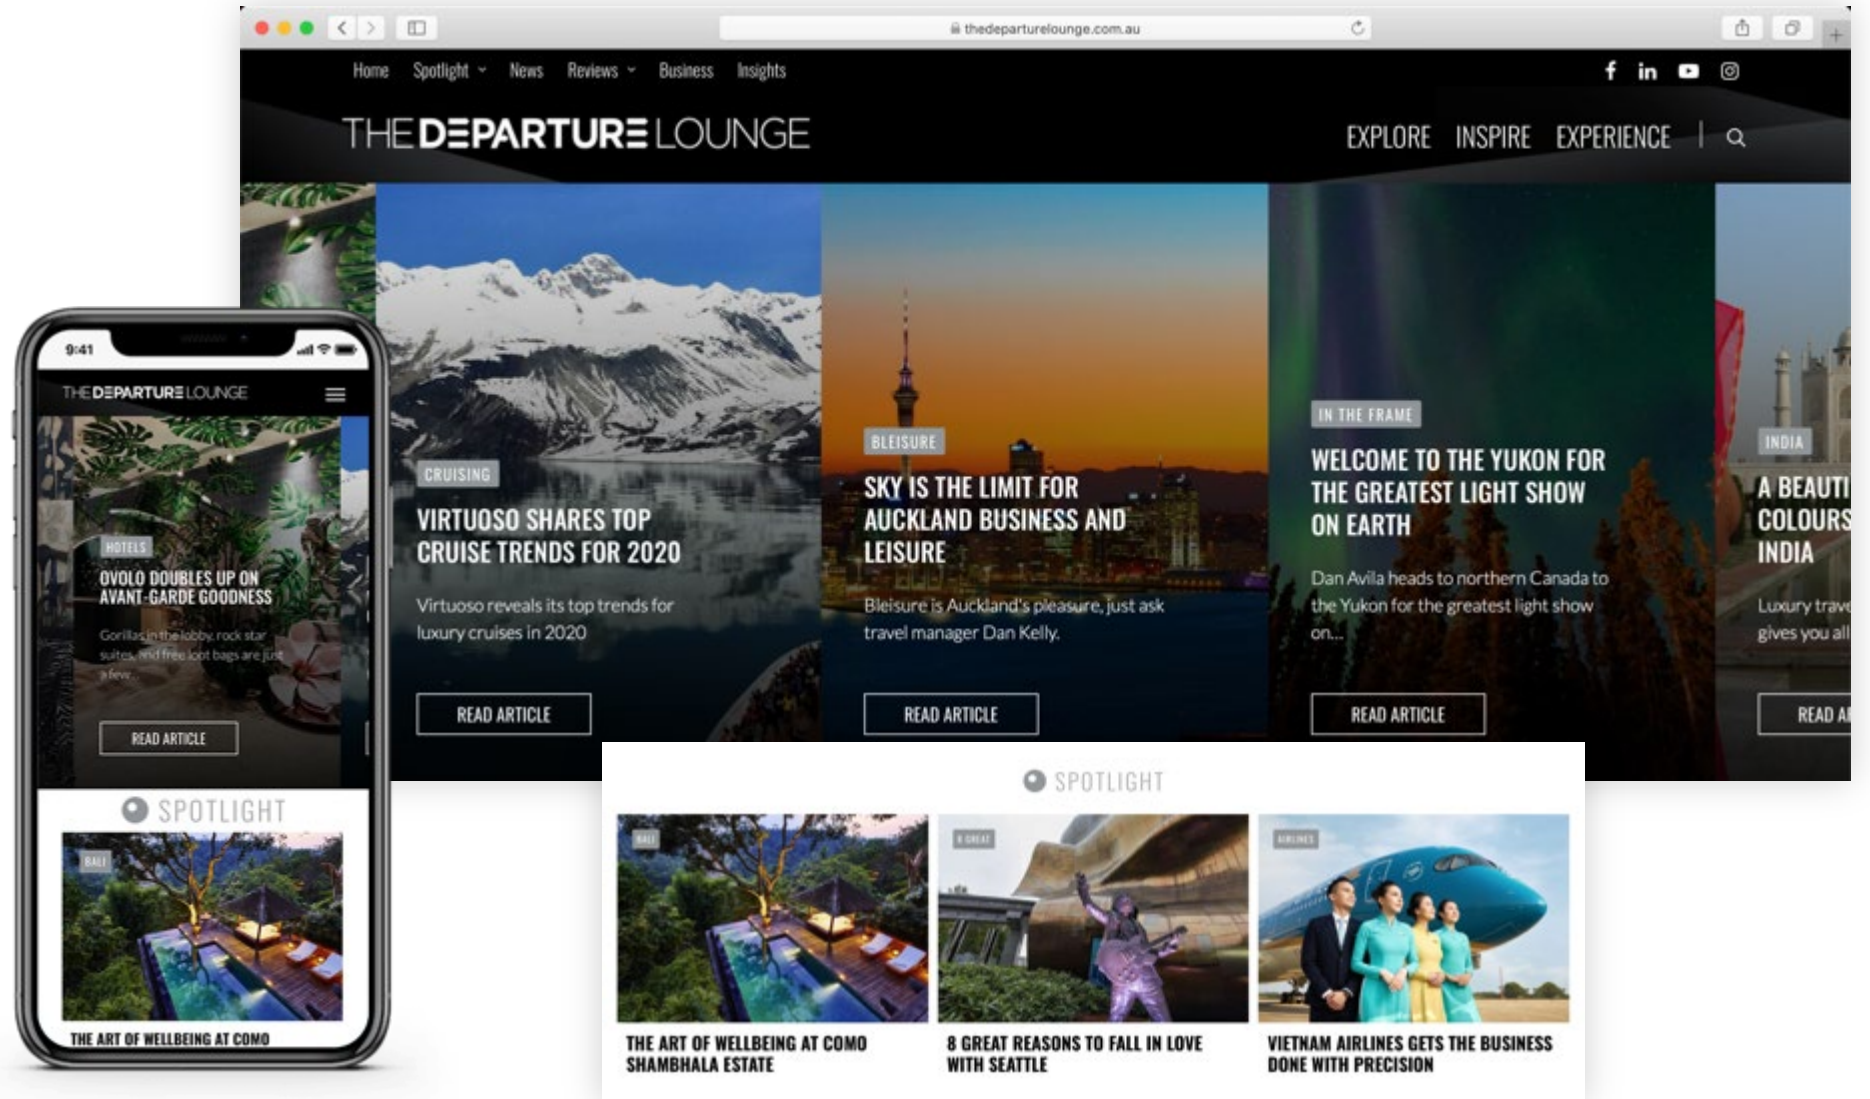

Website design

Serving up a constant stream of travel

Branding and web design for The Departure Lounge - a unique travel media content hub powered by the Connections Group of brands – CT Connections, Executive Edge Travel and Totem Group.

Website:

<https://www.thedeparturelounge.com.au>

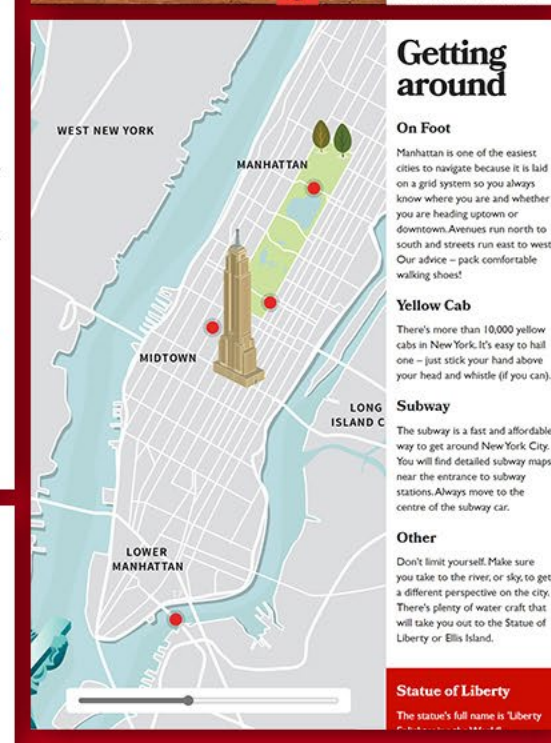

Flight Centre

Digital publications

A new dimension to destination guides

iPad application development for Flight Centre that took their destination guides and brought them to the iPad. Each magazine was digitised with animated covers, interactive elements and video content. All housed in a centralised stand-alone app.

Dubai Tourism

"Best Tourist Office – International"
2017 AFTA National Travel Industry Awards

We are very proud of what we have achieved in 2016. It has been another massive year for us and we could not have done it without you.

2017 stands to be bigger and better. We are looking forward to getting many of you over to Dubai later this year to see and experience these first hand.

JNTO Japan Tourism

Campaign development

Endless discovery

Branding to deliver long-standing tourism and to promote Japan internationally as both a leisure and business travel destination.

Global Learning Expeditions

Website design

Be the difference they wish to see in their world

Filling a void in the student community service travel space by designing and building this dedicated and meaningful company website that supports the work of the foundation.

Website:

<http://www.glexpeditions.com>

Global Learning Expeditions

Branding and identity

Be the future

Branding to deliver long-term sustainable community programs, empower the country's residents, and increase access to and improve the quality of education for all children.

Destination Branding

Examples of relevant work

Mamanuca Islands Tourism

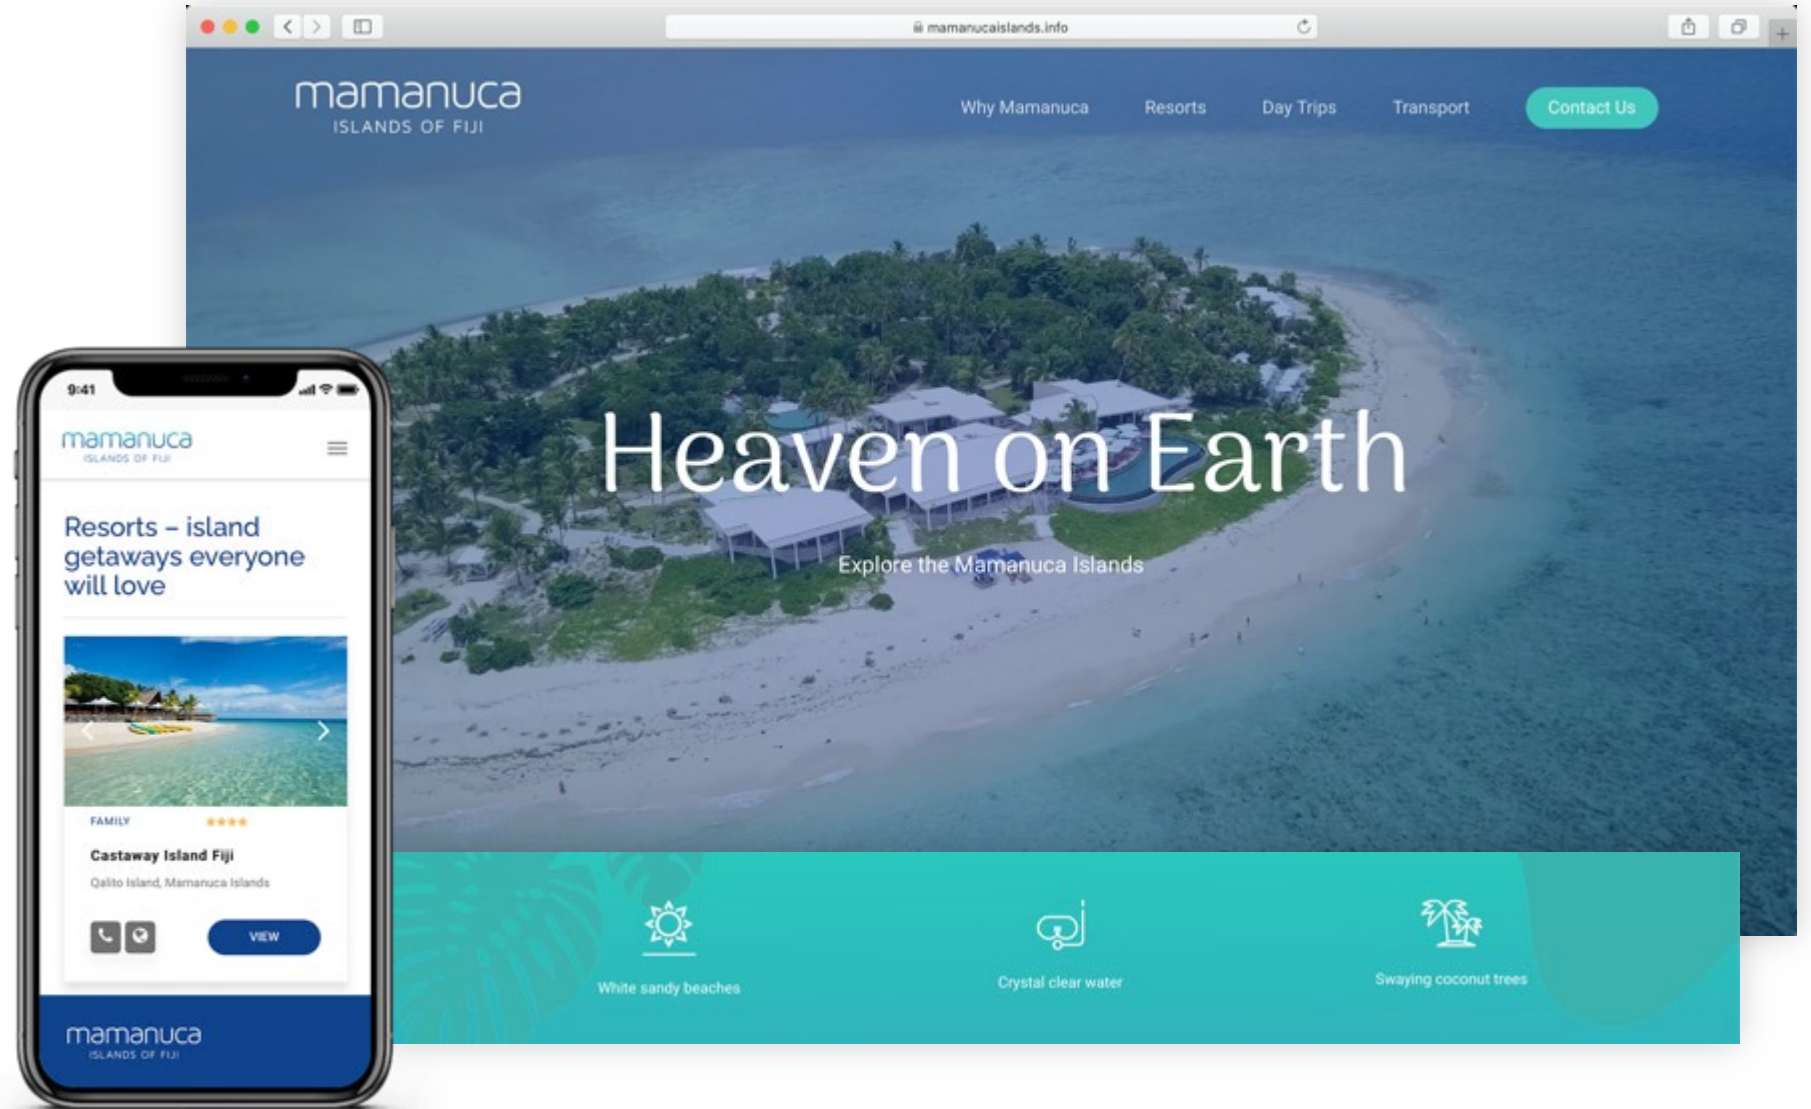

Website design

Escape to paradise

Branding and web design to warm Fijian hospitality who will welcome you to an authentic island paradise, where lush rainforest, unspoiled beaches and pristine coral reefs make for beautiful holiday memories.

Website:

<https://www.mamanucaislands.info>

Plantation Island Resort

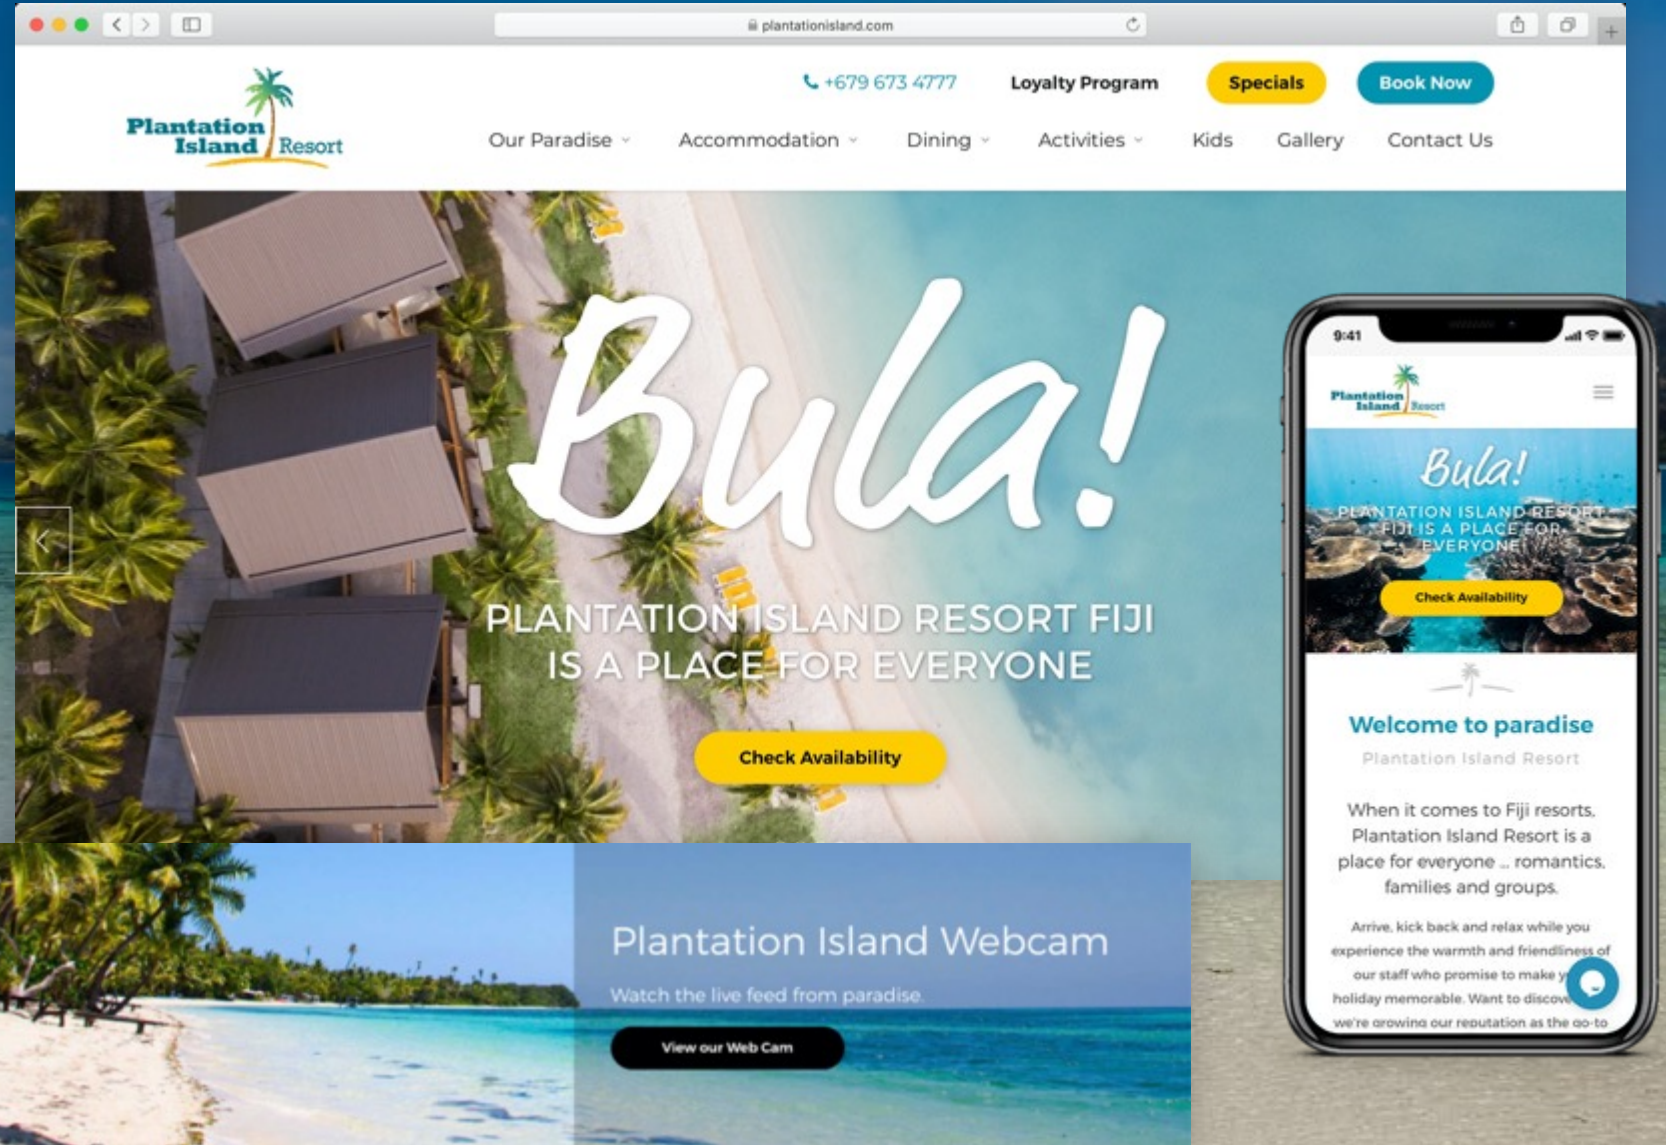

Website design

Welcome to paradise

Branding and web design for Plantation Island Resort Fiji. Tourism website to showcase and embraces its lush 23 acres of tropical landscaped gardens and coconut palms, and kilometres of white, sandy beaches, some of which fronts a gorgeous, sheltered lagoon... exactly the type of setting dreamy Fiji holidays are made of!

Website:

<https://www.plantationisland.com>

Lomani Island

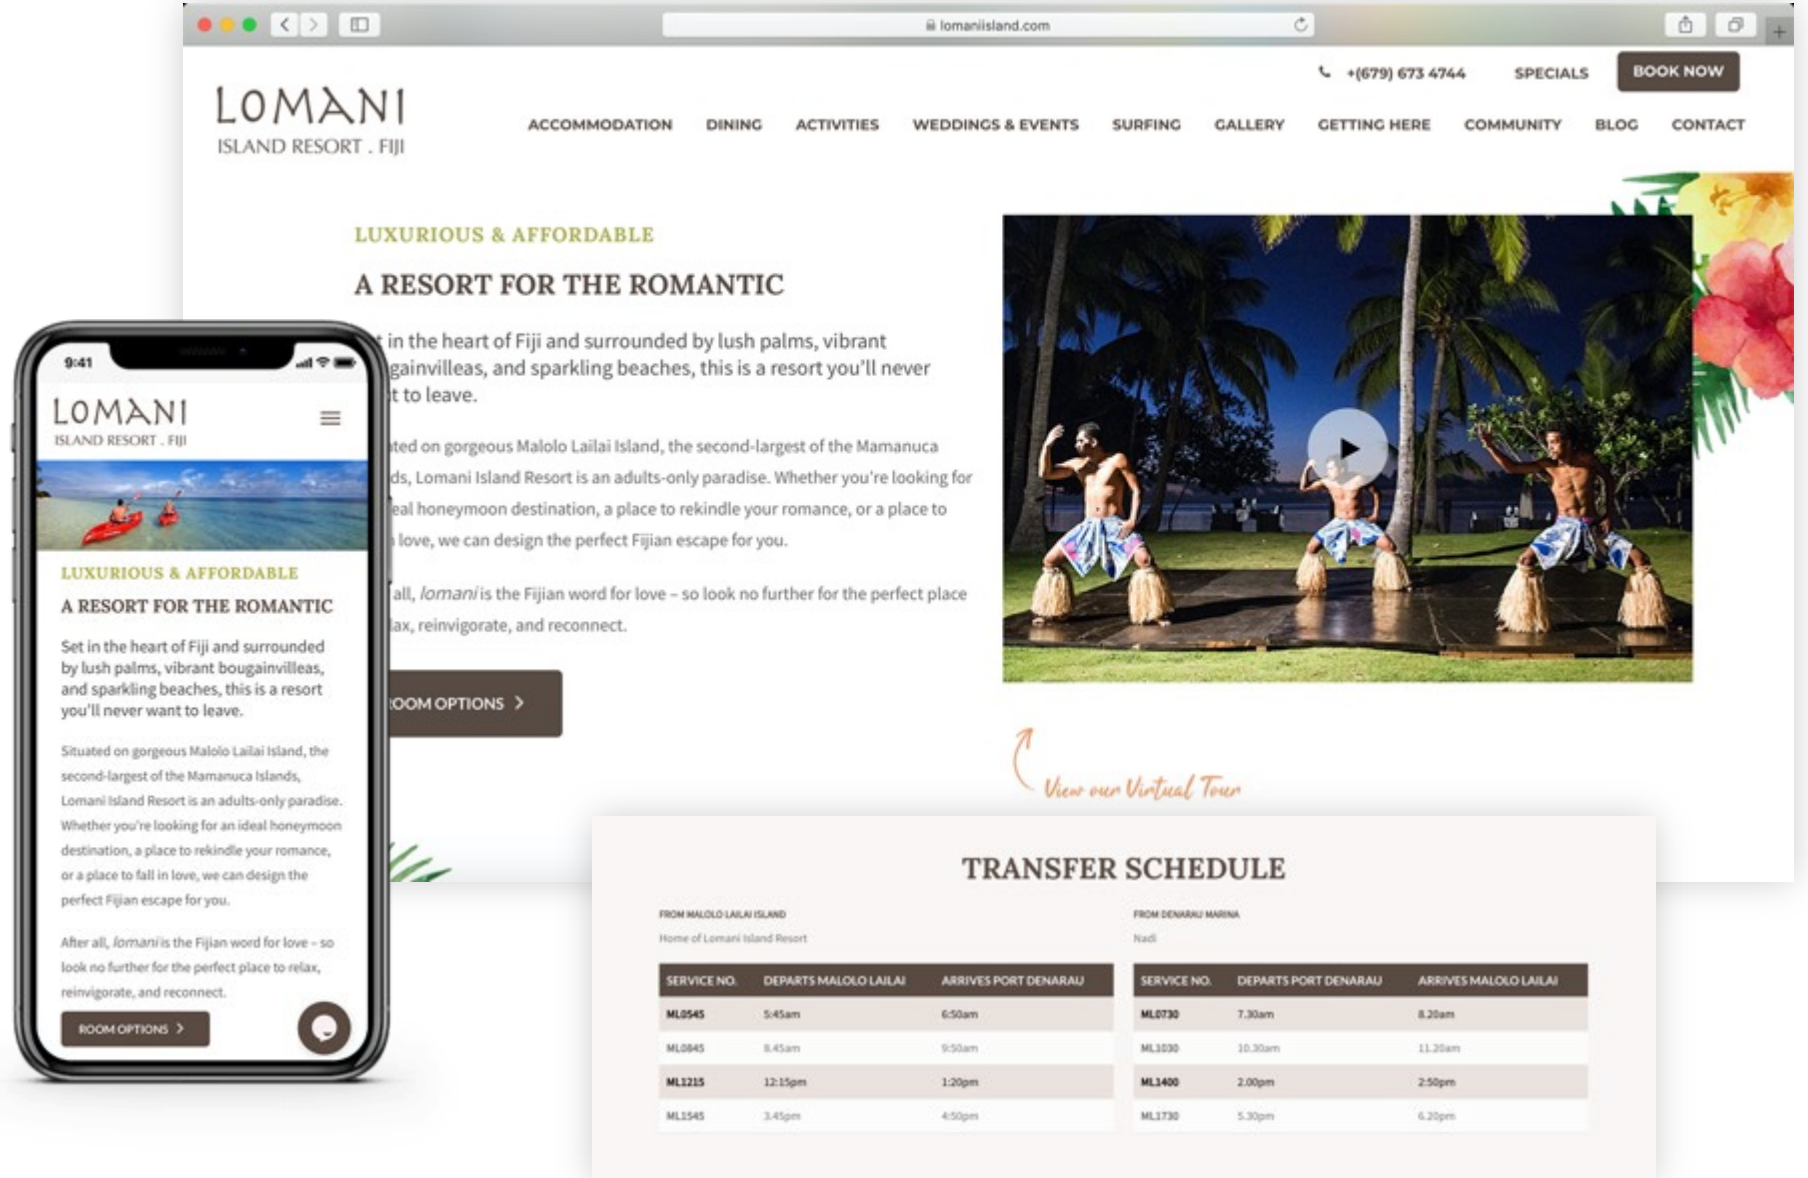

Website design

Fijian adventures

Branding and web design for Lomani Island which is the ideal location for small groups to gather, with multiple options for meal venues, group activities and personalized celebrations.

Website:

<https://www.lomaniisland.com>

Fiji Gateway Hotel

Website design

Little slice of old-world tropical comfort

Branding and web design for Fiji Gateway Hotel, who has been offering outstanding guest services to travellers of all kinds for almost 50 years.

Website:

<https://www.fijigateway.com>
